It's not fair: What's the problem of poverty?

Learning objective:

To find out about poverty and the world distribution of wealth.

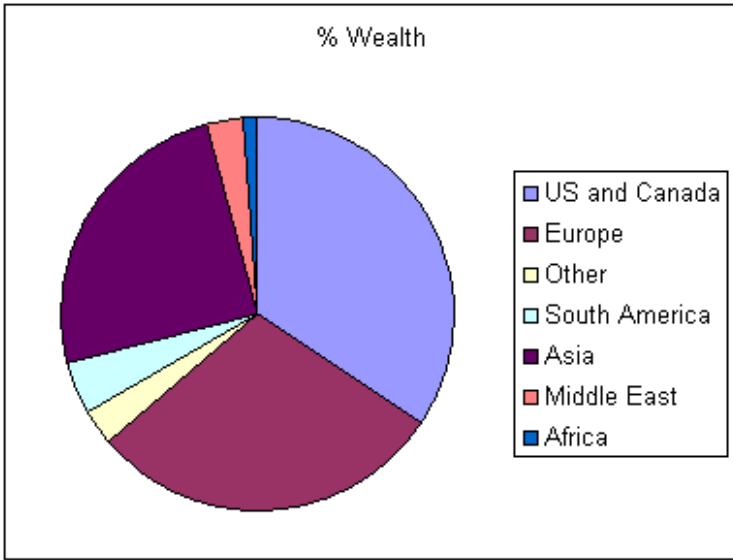

Both players score 1 point

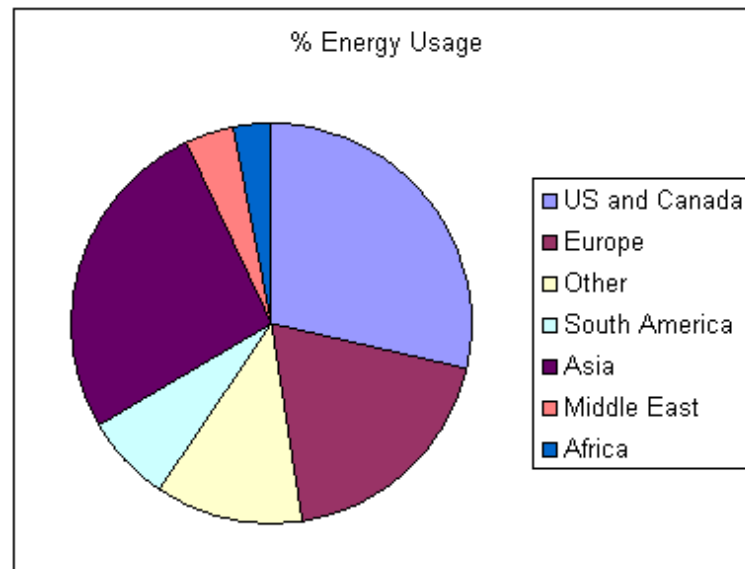

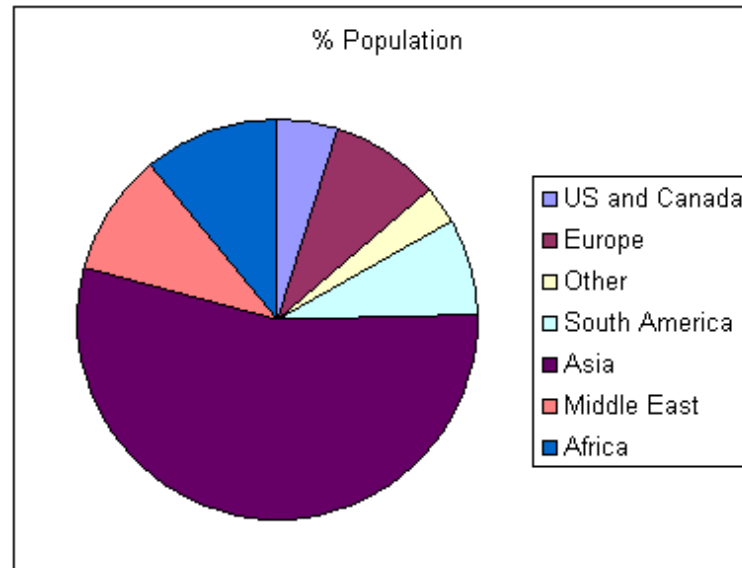

Both players score 2 points

Fist: 4 points
Palm: 0 points

Rich man

7am Toilet
8am Breakfast
9am Hair makeup
10am School

11am
12pm
1pm
2pm

For sale! 10p!

This is divided between:

- **Grower**
- **Packager**
- **Shipping company**
- **Importer**
- **Wholesaler**
- **Retailer**

In your group decide how much of the 10p you think you deserve for the work you have done.

Grower	3p	1p
Packager	1P	1.5p
Shipping Company	2p	1.5p
Importer	1p	1p
Wholesaler	1½ p	1.5p
Retailer	1½ p	3.5p

Title: Poverty

Date: 27th January 2009

Your task:

Draw me a diagram showing the difference between rich and poor. Try to show:

- **the uneven distribution of wealth**
- **the hardship this creates for the poorest people**
- **how difficult it is for poor people to become richer**
