EVALUATION APPROACHES

How to answer Part E questions.

Take the question and use Eddie the Evaluator to work through it, bit by bit. The answer you'll produce will have plenty of depth and you should do well!

Process:a) I think.....because..... b) On the one hand some c) On the other hand Christians think some Christians think because because d) My gut feeling is..... because..... e) there are holes in the argument f) Or others could say 0 0 because.....because 0 0 0 0 0 0 g) So my conclusion is 0 because
